

Beaver Hunt

You don't have to be a great athlete to enjoy the sport of Beaver hunting. All you need to do is snap a sharp color picture of your favorite Beaver and send it to us. If we print it, we'll send her \$50. Plus there's always the chance your lady will be chosen for an extended photo-feature at professional-models' rates. All submissions become the nonreturn-

able property of HUSTLER Magazine. Send your entry (preferably more than one photo) to HUSTLER *Beaver Hunt*, 2029 Century Park East, Suite 3800, Los Angeles, CA 90067-3054. Use the model release on page 96, or a reasonable facsimile. And be sure to fill it out clearly so we'll know where to send your Beaver her \$50.

HERE COMES THE BRIDE

Photography by Clive McLean

A wedding day is something special, something pure and virginal," said 22-year-old Jeanette when we asked her why she wanted to appear in the magazine as a bride. "I like to imagine the excitement I'd feel giving myself to my husband for the first time. I can almost feel his hands moving confidently down my shoulders and breasts as he undresses me. I'm way too nervous to do it myself."

Toying with her hair self-consciously, Jeanette continued her fantasy: "His body feels so raw and yet so comforting as we climb between the clean bed sheets. He pulls me to him, and I feel him hard against me. I'm surprised to find I'm wet there. And then I feel him enter me, a tender jab of pain. The blood rushes to my thighs, and I open myself completely to him as a fire consumes the little girl in me and leaves me a woman."
